

INVESTING IN A HEALTHIER FUTURE THROUGH PLAY

We are dedicated to providing affordable, accessible, and fully inclusive programs that not only promote physical activity but also instill essential life skills and values such as teamwork, discipline, and perseverance.

We see a future where every Canadian child, regardless of background, can enjoy the benefits of sports.

By building a nationwide network of accessible, inclusive programs and initiatives, we aim to empower youth, nurture their passion, and equip them with lifelong skills for personal growth and community building

OUR PROGRAMS & INITIATIVES INCLUDE:

AFTER-SCHOOL PROGRAMS AND CAMPS:

We provide structured, safe environments for youth to stay active during free time while helping communities and families in need!

COMMUNITY SPORTS INFRASTRUCTURE:

We invest in building or improving sports and recreation facilities to provide accessible spaces for youth.

COMMUNITY RECREATION FUND:

We provide financial assistance to remove barriers and encourage participation in sports. This includes registration fees, equipment costs, and additional support.

GIRLS IN SPORT:

Unlocking opportunities for girls! Our multi-sport program led by experienced female role models empowers girls to develop their skills and confidence in a supportive environment.

DONATION OPPORTUNITIES

Personal or Corporate support helps to expand Play4Life programs and initiatives. More programs, more support, more opportunities!
